MEMORANDUM FOR: Chief, Technical Services & Support Group, NPIC
SUBJECT : Reliability and Maintainability Systems and Cost
Analysis Course
REFERENCE : (a) Your note re subject dated 17 December 1969
(b) NPIC/TSSG/RED-1906-69, memo dated 3 November 1969
re subject

Your note requested specific names for attendance to the subject course. We initially proposed by reference (b) that either [] or [] attend. Since that time our work requirements in responding to the impact of improved color material and timely obligation of this year's R&D funds have precluded the possibility of sending anyone to the first offering of the subject course. We feel that it is an appropriate investment, however and would like a rain check should the course be offered again.
